St. Pius X Federal Credit Union (SPXFCU) and Flower City Advisory (FCA) Join Forces to Enhance Wealth Management Services & Insurance Solutions to Members

SPXFCU and Flower City Advisory announce they will partner to offer wealth management and insurance solutions to 7,000+ members base.

“SPXFCU and Flower City Advisory share a common mission that revolves around helping families plan for and secure their financial futures,” said Chris Shekell, Co-Founder & COO of Flower City Advisory. Flower City Advisory offers financial planning services through MML Investor Services, a broker-dealer that manages over 200 billion in assets, with thousands of investment solutions. “SPXFCU has a reputation in the community of providing members with exceptional products and services, our goal is to provide members with financial guidance and education to compliment what SPXFCU has been excelling in since 1967,” said Eric Palumbo, Co-Founder & CEO of Flower City Advisory. The partnership will provide additional services to the members of SPXFCU in the form of comprehensive financial planning, investment management, and insurance solutions (life insurance, disability insurance, and long-term care insurance).

“We are excited to announce the partnership with Flower City Advisory to our members. Members will now have access to onsite financial advisors with enhanced offerings,” said Ann Hynes, SPXFCU President & CEO. “Members who have specific questions regarding investment advice, retirement income analysis, estate & legacy planning, social security strategies, or risk management, now have access to a trusted resource through our partnership.”

Chris & Eric have strong ties to St. Pius X and the local community. They both grew up in Chili and attended Churchville-Chili schools. Chris attended St. Pius X Elementary School and is an active member in the church. Eric and his family are life-long residents of North Chili.

Members interested in meeting with a financial advisor can stop by the credit union on Fridays or call Flower City Advisory at 585.399.8315 to schedule a meeting Monday – Friday.
